

Encouragement Structure: Job Board

Self-worth comes from giving, not getting. By establishing meaningful jobs for all children, you help them to see themselves as having something valuable to offer to others. Use a job board to display and identify each child's job, plus your job as the Safekeeper.

Assign Meaningful Classroom Jobs for All Children

Number of students in your classroom: _____ (You need this number of jobs.)

Place an **X** next to the jobs that would work in your classroom.
